

WORK EXPERIENCE

Nuclear Promise X

Product Manager

06/2023 – Present
Whitby, ON, Canada

- Managed delivery of PowerPlatform solutions to Ontario Power Generation and Bruce Power through Azure release pipelines, leading to more precise product development.
- Improved client's user experience by conducting user interviews, designing user workflows, and high-fidelity wireframes of their custom solution with Figma.
- Leveraged Agile methodologies by using DevOps for sprint planning, reducing development cycle times, and ensuring timely delivery of high-quality solutions.

Nuclear Promise X

Power Platform Developer

03/2023 – 06/2023
Whitby, ON, Canada

- Developed release pipelines in Azure for seamless transfer of custom PowerApps and databases across various environments, optimizing deployment efficiency.
- Designed and built a custom PowerApps base application for internal use to align future projects with company's design guidelines.
- Updated current PowerApps based on client feedback by incorporating custom components to address their specific needs.

Ontario Power Generation

Template Developer

04/2022 – 03/2023
Pickering, ON, Canada

- Led the development of a province-wide IT health status app, enhancing company operations through real-time system status updates and proactive maintenance using Microsoft Power Apps and Power Automate.
- Modernized workflow by digitizing paper forms into responsive web apps with Figma, Microsoft Power Apps, Power Automate, and SharePoint List.
- Standardized document templates for the entire company, ensuring consistent branding and streamlined document creation using Figma, Microsoft Office, and Visual Basic for Applications.

Royal Bank of Canada

Data Analyst, Global Procurement

03/2022 – 04/2022
Toronto, ON, Canada

- Influenced decision making on how to invest in socially responsible vendors by modelling and visualizing diverse spend datasets leveraging Excel and Tableau.
- Enhanced data accuracy and cleanliness by implementing a new migration tool that involves process mapping and elimination of errors to ensure the department can utilize for future projects.
- Revamped department identity by designing various team logos that align with RBC's styling brand using Figma.

Royal Bank of Canada

Data Analyst, Global Procurement - Career Launch Program

11/2021 – 03/2022
Toronto, ON, Canada

- Transformed text-based datasets into user friendly dashboard leveraging bar charts, line graphs and trend lines from Tableau and Excel.
- Optimized team workflow by consolidating and integrating major team milestones into centralized user experience using PlanView ProjectPlace.
- Enhanced UI and UX of the departments connect site from end to end through wire framing, testing and integration leveraging with Figma.

Royal Bank of Canada

Web Expansion Coordinator - Career Launch Program

09/2021 – 12/2021
Toronto, ON, Canada

- Designed and developed campaign advertisement for United Way's marketing initiatives using Figma.
- Lead campaign analytics providing insights to project leads by visualizing project expenses and donation reports using Tableau and Excel.

WORK EXPERIENCE CONTINUED

Royal Bank of Canada

03/2021 – 9/2021

Credit Card Dispute Advisor - Career Launch Program

Toronto, ON, Canada

- Assisted clients with recovering credit card dispute amounts by researching and building cases that were reviewed by credit card companies.
- Validated data from internal and third-party systems that ensured appropriate course of action was pursued.

Ferraz Creative

09/2020 – 06/2021

Junior Web Developer

Toronto, ON, Canada

- Built production websites by collaborating with senior developers and designers on aspects of the site using the tech stack of PHP for WordPress, HTML, CSS, JavaScript and Figma.
- Maintained website quality assurance by implementing responsive testing to ensure the backend data and front-end interfaces reflect properly on all platforms.
